

Behavioral Health Professional

Licensed Professional Counselor/Licensed Professional Clinical Counselor
Licensed Master Social Worker/Licensed Clinical Social Worker

Coal Country Community Health Center has expanded its behavioral health services into the public schools in our communities through the IMPACT, Integrating **M**ental Health, **P**hysical Health **A**nd **C**ontinuity of Care **T**ogether program. The youth and families in our communities are embracing the services being provided in our schools. The program is growing, and our team is excited to be searching for a full-time behavioral health professional with a passion for youth to join our IMPACT team. CCCHC has received a lot of support and awesome feedback from many schools around the state as well as our state and national legislative delegates on our innovative approach to the delivery of an integrated behavioral health and primary healthcare service with the collaborative, medical neighborhood approach to the healthcare needs in our communities.

Coal Country Community Health Center offers a competitive salary and benefit package. CCCHC has a Mental Health HPSA score of 15 making it eligible for the NHSC Loan Repayment Program and is a Federal Tort Claims Act (FTCA) Deemed Site (Federal Malpractice Insurance). If you are a licensed behavioral health professional with a passion for youth please send a company application and letter of application to Coal Country Community Health Center, Attn. Human Resources, 1312 Highway 49 N, Beulah, ND 58523 or apply online at www.coalcountryhealth.com.
