

Chief Financial Officer (CFO)

Coal Country Community Health Center is seeking an experienced professional to assume the role of the full time Chief Financial Officer. The CFO leads our accounting and finance team in the day-to-day planning, implementing, managing, and controlling all financial-related activities. This position reports to the CEO and works with the Admin Team in recognizing and analyzing opportunities for reducing operating costs, increasing income, and improving the financial position of the organization.

CCCHC is funded, in part, with federal grant dollars and has a total operating budget of \$13M annually, with a strong financial footing. We are looking for a qualified candidate to replace our current CFO, who is retiring after 11 years of service, and to help us build on this solid financial foundation to provide future sustainability for our organization.

The successful CFO candidate will have a bachelor's degree in accounting or finance, MBA or CPA preferred. A minimum of 5 – 10 years of progressive experience in accounting and finance is required, preferably in healthcare.

To apply please send a company application and letter of application to Coal Country Community Health Center, Attn. Human Resources, 1312 Highway 49 N, Beulah, ND 58523. Apply online at www.coalcountryhealth.com.
